

THE STATE DUMA
OF THE FEDERAL MEETING OF THE RUSSIAN FEDERATION
SEVENTH CONVOCATION
DEPUTY
OF THE STATE DUMA

November 21, № b / 4

**Dear participants of the III International Theosophical
Congress!**

I welcome you to our beautiful city - the capital of science and culture of our country. The International Congress for our city is a significant event! The union of representatives of the spheres of culture, education, medicine, science, art, which base their scientific and research works on theosophical works, will allow us to effectively interact with different spheres of society and to fulfill the main task aimed at the ideas of humanism, tolerance, morality, mutual assistance, regardless of nationality and religion.

We wish Congress the discovery of new names, the transfer of experience to the younger generation of scientists and successful fruitful work!

Yours faithfully,
Deputy of the State Duma of the Federal Assembly of the Russian Federation
President of the International Association of Peace Funds,
Multiple World Chess Champion
A.E. Karpov
